

Summer

Summer time injuries can occur even if the sun is shining. If you should find yourself in discomfort or with neck and back pain after planting too many flowers, cutting too much grass, playing volleyball at a picnic, then TuDor may have the answer to treating your injuries. We offer a wide variety of treatment for multiple diagnoses, not to mention 5 locations to better service your needs. We specialize in providing the best hands on manual therapy for low back & neck pain, and treatment for just about any other physical problem that is keeping you from enjoying your life to the fullest. We offer: *CONVENTIONAL THERAPY * LASER THERAPY * DECOMPRESSION TRACTION TABLE * PILATES REHAB * AQUA JET BED THERAPY and a *CERTIFIED HAND THERAPIST. Come visit one of specially trained and certified staff members to get you back on the road to enjoying the summer you deserve, let TuDor Physical Therapy Center help you!

Complete Rehab Care

Before Surgery

TuDor can provide an evaluation on the specific extremity that you are having surgery on. At this visit we can also review ambulatory devices that may be needed after the operation and demonstrate how to use them. We can also go over preliminary exercises and hand – outs on any precautions prior to surgery.

After Surgery in the HOME

TuDor home therapy delivers Physical and Occupational rehabilitation services to patients in the comfort of their own home. We can also provide the needed adaptive equipment or devices. If ordered the following equipment can be brought to the patients home. . . Ultra Sound – E-Stim – Portable Laser.

Out Patient Therapy

TuDor will follow your progress and refer you to the Out Patient facility that is closest to your home address. As an added bonus transportation is available to those who need it.

Announcements

* We are pleased to be a part of WFMJ's "Valley Health" as one of their featured Health Experts. You can view a brief description of the services that we have to offer to the community, Or you may go to WWW.TUDORTHERAPY.com for a complete listing of our services. You may also view our recently released commercial or patient testimonials on our web page.

* TuDor Physical Therapy staff is welcoming two new employees to our already outstanding team. Kevin Perris joins us with extensive experience and hold a Masters of Physical Therapy. He will soon receive His Doctorate in Physical Therapy! Dan Sharfal also joins our team as an Ohio State Board certified Massotherapist and also holds a degree in International Sports Science.

Workers Comp (BWC)

INDUSTRIAL REHABILITATION

TuDor Physical Therapy Centers is an Ohio and Pa participating provider of therapy services. We are currently providing ON SITE therapy for injured workers. Returning to work following an injury can be difficult. Industrial Rehab services, or return-to-work services, provide patients with therapy designed to make the transition back to work as smooth and as safe as possible. We believe that helping workers perform their jobs duties to their fullest capacity enables them to live productive and satisfying lives.

We also have therapist that are certified in **Functional Capacity Evaluations.**
Contact our Boardman Center for more info.
